Scott Danzig

FADE IN

INT. TECH COWORKING SPACE - DAY

Beneath a neon TUNATECH sign in a coworking space, SOPHIA, early 30s in business casual, confronts CHUCK, mid 20s, pudgy, wearing a video gamer shirt.

CHUCK

(grinning)

Does it really matter if it doesn't  
work a thousand years from now,  
Sophia?

SOPHIA

(exasperated)

Yes, Chuck. The whole pitch is that  
our software handles anything,  
anytime.

Sophia points to her right and Chuck turns to look. DARREN, late 20s with glasses, rubs his chin while clicking his mouse.

SOPHIA

Darren's good. He wrote a ton of  
tests.

CHUCK

(grins cheekily)

How about I show you what I'm good  
at?

SOPHIA

Coding, yes! We need to pass his  
tests, okay?

Sophia smiles expectantly. Chuck pauses, then relents.

CHUCK

Fine, okay.

Chuck shakes his head as he walks off.

SOPHIA'S DESK

Sophia, slumped in her computer chair, clicks, then waits. Her eyes widen in relief. She stands, straightens out her clothes, and looks up.

SOPHIA

*A problem with the time zone,  
An hour off, I should have known,  
That cursed daylight savings,  
Caused calendar misbehavings.*

Coworkers at nearby computers stand up and sing in unison.

COWORKERS

*All them sched'lin' quirks,  
They're a bunch of jerks,  
Find where they lurks,  
Fix 'em till they works.*

SOPHIA

*Events, multi-day enduring,  
Especially reoccurring,  
Cannot be scheduled during,  
Holidays, conflict-free ensuring.*

COWORKERS

*All them sched'lin' quirks,  
They're a bunch of jerks,  
Find where they lurks,  
Fix 'em till they works.*

SOPHIA

*Then some dates were lunar,  
If they only told me sooner,  
But now, I'm outta here!*

DARREN, late 20s, with glasses, rushes in and sings.

DARREN

*But have you tried a leap year?*

Sophia's smile goes nervous. Darren switches to non-singing.

DARREN

*Sorry, Sophia, there's a failing  
test. An event every Monday and  
Wednesday, and another every 9 days  
-- only on leap years.*

Sophia looks on the verge of a breakdown.

CHUCK, mid 20s, pudgy, wearing a video gamer shirt, barrels through the door.

CHUCK

*All the tests passed! My function  
handles everything!*

SOPHIA  
What? Even leap years?

Chuck gleefully bounces.

CHUCK  
Easiest bug EVER.

SOPHIA  
I could kiss you.

DARREN  
Nice! What was the problem?

Chuck tilts his head, thinking.

CHUCK  
Something time-related...

Darren gives Sophia a look.

SOPHIA  
Heh, well, at least it works,  
right?

DARREN  
Maybe we document it? Chuck writes  
spaghetti code with extra  
meatballs.

SOPHIA  
Sure, yep. Anyway, we should  
celebrate. Who's up for some  
paintball?

CHUCK  
(grinning, pointing)  
Oh, it's on. Y'all goin' down!

SOPHIA  
Bring it, Chuck. You won't know  
what hit you!

Everyone laughs as Chuck and Sophia high-five.

DARREN  
(deadpan)  
Can someone please shoot me now?

EXT. PAINTBALL FIELD - DAY

Darren crouches behind a flimsy barrier in a paintball field,  
looking around nervously.

DARREN  
C'mon guys, I just really think we  
should document stuff.

Sophia and Chuck stand not far apart in the open, guns  
lowered, with watchful eyes.

SOPHIA AND CHUCK  
(singing together)  
*We've got him now. We've found our  
prey.*

DARREN  
(singing)  
*Just listen to what I have to  
say...*

SOPHIA  
*We've done enough.*

CHUCK  
*It's time to play!*

DARREN  
*Years from now you'll rue this day!*

SOPHIA  
*He's in my sight.*

CHUCK  
*Let's make him pay!*

DARREN  
(singing)  
*Why does no one care?*

SOPHIA AND CHUCK  
(singing together)  
*Maybe run away?*

Darren gets up and runs. Sophia and Chuck both shoot Darren,  
covering him in paint. Sophia and Chuck laugh. Chuck nudges  
Sophia.

CHUCK  
*Let's get out of here?*

Sophia grins wickedly and pulls Chuck away, surprising him.

EXT. WOODS - DAY

Sophia and Chuck, wearing their paintball clothes, are lying  
in a cozy spot in the woods, making out. They pause, and  
Sophia rests her head on Chuck's chest.

CHUCK

I need to get up for a sec.

Sophia sits up while Chuck walks behind a tree. The sound of urination begins.

CHUCK

I don't suppose you grabbed my phone? I want to check in with my Discord buddies.

SOPHIA

(rolling her eyes)  
Let's just head back.

EXT. FOREST - NIGHT

Sophia and Chuck are still wandering, clearly lost.

CHUCK

Got any snacks?

SOPHIA

If I'd grabbed Darren instead, he'd probably have documented the way back...

They enter a moonlit clearing with gravestones scattered throughout.

CHUCK

Cool! This graveyard looks right out of a D&D adventure!

SOPHIA

Maybe if there's a graveyard here, a town is nearby?

CHUCK

The years are kind of hard to read. It looks like this guy was born in the future.

Sophia inspects the gravestones.

SOPHIA

The birth years are all in the future...

An ominous dark figure steps into the clearing, his breath wheezing.

JAMES

Yes, we all made that sacrifice,  
(coughs) in our search for the  
creator.

CHUCK

Dude, are you roleplaying? This is  
a LARP, right? We will help you  
find the creator!

SOPHIA

Excuse me, Sir, but we're just  
trying to find the paintball place.  
Can we borrow a phone?

JAMES

"Sir". I was not so old when I  
first time traveled, but after 40  
years, I've fallen ill and soon I  
will join my fellow seekers in our  
failure.

SOPHIA

Maybe we can help somehow? Just  
need to make a quick call.

CHUCK

Let the Legion of Tunatech aid you  
in your quest!

JAMES

Wait, Tunatech? Who are you?

CHUCK

Well, I'm Chuck and this is...

SOPHIA

Did you say you time-traveled?

James completely ignores the question and focuses fully on  
Chuck.

CHUCK

That explains the years at least.

JAMES

Did you perhaps write a function  
called... ChucksFunkyFunc?

CHUCK

Yes, I did! We're out here  
celebrating me getting that  
working!

JAMES

Could it be? (coughs) The  
creator... I... I actually found  
him?

SOPHIA

Why are you looking for Chuck?

JAMES

We're using your accursed  
scheduling software. We can't  
return to the future!

James breaks into a catchy song about ChucksFunkyFunc.

JAMES

(singing)

*That ChucksFunkyFunc,  
It looks like you were drunk,  
Our time travel is sunk,  
We hate you, little punk.*

*It's got lots of useless gunk,  
Half the tests will flunk,  
Variable names are junk,  
No useful logs in Splunk.*

*READMEs and wikis all defunct,  
Our guesses are debunked,  
Our fixes are rethunk,  
Our coders go kerplunk.*

*Your code smells like skunk,  
We forget it chunk by chunk,  
Keeps freezing with a clunk,  
Our hopes and dreams have shrunk.*

*That ChucksFunkyFunc,  
It looks like you were drunk,  
Our time travel is sunk,  
We hate you, little punk.*

James coughs once, and falls silent, staring Chuck down.

SOPHIA

I didn't know. I'm so sorry. We'll  
try to help however we can.

CHUCK

Uhh, well...

SOPHIA

Apologize!

CHUCK  
Sorry dude.

INT. TECH COWORKING SPACE - NIGHT

Chuck sits, shadowy and backlit at his computer in the coworking space, alone in the late hours. He stands and sings a remorseful ballad with a scratchy voice:

CHUCK  
(singing)  
*I thought I was clever, just  
getting by,  
But now I see clearly, that was a  
lie,  
It's not just about making the code  
run,  
Documentation matters, to everyone.*

*No more cutting corners, I'll take  
the blame,  
Good code's more important than any  
video game,  
Tests for my functions, comments in  
between,  
Informative logging, and code will  
be cleeeean.*

*And Darren, I know, I should be  
more kind,  
I'll try to do better, I'll keep it  
in mind,  
But I cannot lie, I have to  
confess,  
It is so fun to shoot you... I'll  
try to do it less.*
